AUTUMN 2003 PROGRAM GUIDE

W H P K

WHPK 88.5 FM CHICAGO

Welcome to WHPK 88.5 FM, the campus-based community radio station licensed to the University of Chicago. Lurking down at the extreme left of your FM dial, we've been filling the airwaves with our particular brand of radio for over 50 years.

We here at WHPK don't have a market, nor a general target audience; we have listeners, and we count them one by one within our broadcast range to the greater South Side of Chicago and beyond. We're a noncommercial, nonprofit radio station—which means we have complete freedom to create and broadcast diverse programming that is hard to find on any other frequency. This freedom also allows our programming to reflect the amazing variety of musics and cultures that abound in this great city of Chicago (though we do wander beyond the city limits as well) and bring voices from elsewhere in the nation and the world.

We don't guarantee you'll like everything you hear on WHPK; some things may sound unfamiliar, disorienting, or downright odd. But appealing to the lowest common denominator has never been our mission. We would rather provide you with a single hour of thought-provoking, entertaining programming that has relevance and meaning in your life than to bore you with 24 hours of vacuous repetition interspersed with attempts to sell you things you don't need.

So open up our program guide and check out our schedule; whether it's jazz, blues, rock, dance, rap, folk, classical, world music, news, or all of the above that feeds your fancy, tune into WHPK 88.5 FM. We're open 24 hours, 365 days a year.

CLASSICAL

WHPK's classical format brings you music from the eras and aesthetics passed over in the mainstream marketplace of the soothing and the familiar. From medieval chant to American minimalism and beyond, our DJs challenge you with the best selections from seven centuries of classical music.

FOLK

- Most people have to pay for their authenticity, but why not get yours for FREE? WHPK's Folk DJs methodically purchase the crassly commodified lamentations of the oppressed, so you don't have to! We guarantee that our mix of traditional Irish, Celtic, Cajun, French, blues, old timey, bluegrass, classic country, rockabilly and gospel will put blue collars on your ears and a song in your bleeding heart.

INTERNATIONAL

From the oldest field recordings of isolated cultures to high-production-value commercial world-music CDs, our international DJs bring you wonderful sounds from around the globe. They explore the cultural and social context of the music, the performers, the instruments, and the meanings of the lyrics. Tune in for information about Chicago-area performances and announcements about related arts events. Interesting guests and ticket-give-aways are frequent features.

PUBLIC AFFAIRS

Roctober Radio (Jake Austen)

Kooky hijinx, wrestlers and their music, and other mad-cap issues become the subject of close scrutiny in Roctober magazine publisher Jake Austen's Roctober Radio.

The Smoking Gun (Dan W. Lichtenstein-Boris)

Taking the grassroots to the airwaves, The Smoking Gun focuses on issues of social justice at the University of Chicago and throughout the South Side. Tune in for news and views downplayed by traditional news media and listen to the exclusive interviews with community activists about issues affecting our lives.

News From the Service Entrance (Mario)

News, music, and interviews with the famous and infamous. Nationally known celebrities and local legends. Music from the WHPK library and news from the frontline. It's radio that you WILL NOT hear anywhere else. Radio the way it should be. News From the Service Entrance the radio show with your host Mario.

RAP

WHPK was the first to bring hip-hop to the South Side's airwaves over a decade ago back when other radio stations were still playing Huey Lewis and the News. Quite a few have caught on by now, but our Rap shows continue to be the best out there. DJs JP Chill, Extreme, V Funk, Kev Deuce, Thaione, Pugslee Atomz and Kevin Maxey play the cutting edge of the hip-hop underground while keeping a firm grip on the old-school—all unedited and uncensored. And on Friday nights you'll get to hear live mixes by legendary DJs from around Chicago.

ROCK FORMAT

Our rock DJs lose sleep staying up all night to bring you the finest rock and roll on the planet. You'll hear every genre, sub-genre, and passing fancy spun by our rock DJs—from punkrock, hardcore, pop, prog-rock, krautrock, acid-folk, psych, and goth to space rock, new wave, no wave, noise rock, art rock, glam rock, metal, power electronics, ambient, industrial, and just plain old classic rock.

Behold! the Symmetrical Head of William Shakespeare (Isaac)

According to phrenologists an excessively symmetrical head is a sign of mental retardation. However, the vast majority of portraits of William Shakespeare depict his cranium as being extremely uniform in shape. So was the Bard really a few cards short of a deck? For further information on this and other pertinent topics, tune in alternating Wednesdays 1-2:30 am and enjoy the fine selection of deathrock, goth, and ethereal music.

ROCKS OFF! (Brian)

Does sunlight bore the daylight out of you? Then stay inside and get your rocks off with Brian every Monday morning from 10-12 with the very best power pop, glam rock, garage and psych! It's probably a lot better than whatever crap you've been listening to.

Radio Zero (Mike and J)

There's a guitar leaning on a Marshall stack/ Used to sound like the sun on the horizon/ Now I think we've been had." Does this rock lyric describe you? If so, I'm very sorry. You ought to listen to RADIO ZERO, every Thursday morning from 10 'til noon. Your hosts J and Mike play the best in Post-Pop and Gestalt Rock. It's music to poach an egg to.

Electric Toothbrush (Erica and Amy)

Find new uses for old appliances. Erica and Amy invite you to sink your dirty fangs into "Electric Toothbrush," every Tuesday from 12:00-2:00 am on WHPK.

Sexist Male Fantasies on Ice (Ryan)

We've never met before, but we could tonight... on the dance floor. Every other Tuesday from 12-2 am, Ryan spins the choicest selection of electro and house tracks, for your listening pleasure. Look no further for pure electronic bliss.

The Metal Show: In Conspiracy with Satan (Tim)

Tune in to WHPK 88.5 FM every Sunday night from midnight till 2 am for In Conspiracy with Satan. Host Metal Tim forge all the best NWOBHM, grindcore, thrash, speed, black, and death metal, plus occasional power-electronics tributes to lesser-known serial killers. Slake your bloodthirst with In Conspiracy with Satan, Chicago's own uncensored forum for the heaviest and most extreme music known to man, only on WHPK.

Pure Hype

"Pure Hype" brings you some of today's best live bands from the Chicago area and beyond. The show airs every Friday evening from 9:00-10:30 PM. Listen to fresh bands before they get swallowed up in the mainstream.

Focus Show

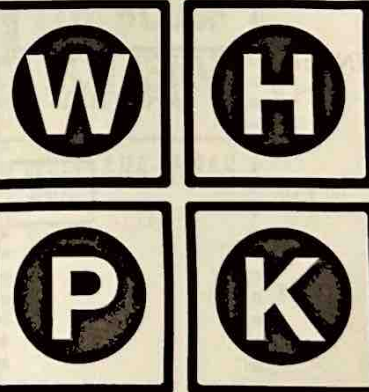

The "Rock Focus Show" takes over the airwaves once a week, focusing on a specific band, theme or style. Listen from 7:00-9:00 pm every Friday night and learn more than you ever thought you could about a specific kind of music.

JAZZ

WHPK's famed jazz DJs swing you around and drive you home—playing jazz from the inside to the outside. Their musical knowledge will educate, enlighten, and entertain as you're treated to the best in Bop, Big Band, Swing, Latin, and Free Jazz. You'll hear the sounds of yesterday and tomorrow from DJs each with his/her own unique perspective on the world of jazz music.

SPECIALITY

- Our specialty shows offer unique radio experiences. There's the "Evil Show" hosted by bluesman Dave Waldman, where you'll hear some of the purest blues sounds of the century from the early days of recording up through today. "Radio Dada," hosted by a variety of talented DJs from all formats of the station, mixes up music of every shape and form, focusing especially on free jazz and the avant-garde. Immediately following "Radio Dada" is "Cacophonix," an hour of experimental live-mixing noise/music by various rock DJs. Then there's the "Dusties Party"—keeping soul, funk, and R & B alive on the South Side. On Friday evenings our DJs flaunt their collector mentality, scenesterism, and just plain obsession as they focus in on a particular artist, band, musical style, or theme on the "Friday Focus Show." If you're too tired to go out to the clubs on Friday nights, tune in to "Pure Hype," where we bring local rock bands to play live on-air in our record library. Finally, you can spend your Saturday nights with WHPK's unofficial radio personality Arkansas Red, on the "Blues Excursion." Arkansas sings along to his favorite blues, talks to listeners over the air, and lambastes the competition. Not to be missed!
